DESCRIPTION OF CAMPS

High School Band

The High School Band Camp is designed for musicians ranging from the most talented and proficient to the less experienced. It is **open to graduates of grades 8, 9, 10, or 11**. In addition to the Concert Band I, conducted by Director of the Longhorn Band Dr. Robert Carnochan, this session features three other concert bands each conducted by an outstanding high school director. The program includes sectionals, master classes, elective study, supervised practice, and optional private lessons. Students who have completed the 8th grade may register for High School and/or

Middle School Band Camp. The camp culminates with a concert by each band. Whatever the level of proficiency, all LMC campers find new challenges and opportunities and will advance in their ability. The thrill of making music is for everyone!

Honors Wind Ensemble

The Honors Wind Ensemble is designed for the more advanced students. Membership in the Honors Wind Ensemble is open to invited participants who are graduates of grades 9, 10 or 11. In addition to performing in the Honors Wind Ensemble, participants receive individualized instruction and chamber music coaching from our renowned School of Music faculty, as well as opportunities for elective study in the areas of conducting, computer music, piano, musicianship and music theory. The ensemble is under the direction of Professor Jerry Junkin, Director of Bands and Conductor of the Dallas Wind Symphony. The camp culminates with a chamber music concert and a full ensemble concert.

All camps culminate with a required student performance in Bates Recital Hall.

STAFF

Assembled for their talent, teaching ability, dedication, and enthusiasm for music, over 150 distinguished music professionals participate in Longhorn Music Camp each summer. They include UT professors, middle school and high school teachers, master, elective and lesson teachers, administrators, and undergraduate and graduate students who serve as counselors and mentors. Together, their knowledge and experience support an extraordinary educational opportunity where campers build confidence and develop good habits and attitudes that shape their future. Dr. Scott Hanna is the Camp Director.

Registration Information

ENROLLMENT AND FEE PAYMENT

Membership in the Honors Wind Ensemble is limited and granted by invitation only. **Invited participants must still register online upon invitation.** Fees are paid at the time of registration.

For either camp, register online at www.longhornmusiccamp.org. **Full payment of camp fee is due at the time of registration.** Download and submit the release forms to the Camp Office. Please also download the respective camp handbook and read it thoroughly.

If the camper is a recipient of any type of scholarship, please email the camp office at lmc@www.utexas.edu with the scholarship amount and information on how and when the scholarship will be remitted to Longhorn Music Camp. **You will pay the full camp cost at the time of registration, and once the scholarship is received by the Camp Office, the amount of the scholarship will be refunded back to you. All scholarship payments must be received by May 26.** Due to instrumentation limits, enrollment is granted on a first-come, first-served basis. **The awarding of a scholarship does not guarantee a position in camp.** All scholarship recipients must register. We advise early registration to assure participation in the camp.

Required health status and medical release forms must be submitted to the camp office no later than May 31. Participants should retain copies of all submitted forms. Incomplete forms will be rejected. Failure to submit the required health status and medical release forms by the May 31 deadline *could* result in a discharge from camp. No refund will be issued.

If the requested section is full, a notice will appear at the very end of the online registration process. You will be placed on the waiting list, and your credit card will not be charged. If a position becomes available you will be contacted with instructions for payment.

REFUND POLICY

If fees are paid by credit card, any refunds are issued as a credit on the original credit card statement. All other refunds are by a University check. It is the policy of The University of Texas that all payments received by UT must be deposited on the day of receipt. Refunds take 3-4 weeks for processing. For High School Band, prior to May 26, 2010, there is a \$75 fee for refunds issued as a result of cancellation for any reason. No refunds will be issued for cancellations after May 26. No refunds of \$5 or less will be issued. Upon registration, Honors Wind Ensemble participants pay a discounted, non-refundable camp fee.

OPTIONAL PRIVATE LESSONS

High School Band

Private lessons provide personal attention to help improve individual performance. Participants are encouraged to choose one hour of private lessons (broken into two 30-minute lessons during the week) at an additional cost of \$30. Lessons should be elected at the time of registration. Requests for lessons after May 26 will not be accepted. Teachers providing lessons are specialists from the Austin area, and include local music educators and advanced University of Texas music students. Campers taking private lessons should bring a piece of music they have been working on.

Honors Wind Ensemble

All participants in the Honors Wind Ensemble receive one hour of private lessons from UT School of Music Faculty included in their camp fee. Faculty members will schedule lessons during the auditions on Sunday.

PURCHASE OF BBQ LUNCHES

A barbecue buffet luncheon will be held Saturday (the final day of camp) from 11:00 a.m. to 3:30 p.m. in the San Jacinto Parking Garage (on Trinity across from MBE). The camper's BBQ lunch is included in the price of camp. Parents may purchase additional lunches with the camper's registration for \$7. General Information

TYPICAL DAY

Residential campers are awoken by counselors. Everyone eats breakfast as a group and then walks to the School of Music together. All campers spend mornings in rehearsals and/or sectionals (by band). All campers are escorted by counselors back to the dorm for lunch. Lunch breaks are organized by band. The afternoon is spent in master classes and/or daily elective study. Master classes expose students to important repertoire and instrumental techniques unique to their instrument. Students work on basics of tone production, breath support, articulation, and ensemble performance. Elective Class choices may vary depending on the camper's assigned ensemble, master class, and sectional schedule. Classes meet each day and provide students an opportunity to take an in-depth look at a subject. In 2009, we offered Bassoon-Reed Making, Computers in Music, Conducting, Flags, Music Theory, and Oboe-Reed Making for the High School Band campers. For the 2009 Honors Wind Ensemble, we offered Bassoon-Reed Making, Music Theory, Computers in Music, Conducting, Musicianship, Music Theory, and Oboe-Reed Making. Next, all campers have afternoon recreation time. Students are allowed to choose from a list of supervised activities (such as TX Union Underground arcade and bowling; campers interested in the TX Union Underground should bring cash--admission is approximately \$8 for bowling and billiards; the arcade is coin-operated). Day-campers depart after recreation time, and residential campers eat dinner in the dorm as a group. Evening recreation is always a camp-wide activity. Past activities have included movie night, game night, attending a UT Longhorn Summer Band concert, Camp Olympics, and a talent show. Friday night is the banquet and dance at the Texas Union Ballroom. After evening recreation, campers go back to the dorm for a floor meeting and time to shower, call home, and go to sleep. For a detailed day-camper schedule, please see page 6.

AUDITION INFORMATION

High School Band

Campers will audition at the School of Music on Sunday afternoon. In order to eliminate the audition lines, audition times will be assigned. We cannot accept audition time requests.

Campers will be informed of their audition time by e-mail 2-3 days prior to the start of the respective camp and must audition at their assigned time. The audition process will begin at 1:00 p.m. and should end by 4:30 p.m.

Please arrive 30 minutes prior to assigned audition time to allow time for parking, warming up, and finding room. Audition rooms are posted outside the camp office in the MBE building. Counselors will be on hand to assist.

Specialists on each instrument will hear each camper's individual audition. Based on this audition, each camper will be placed in the ensemble best suited for his/her playing ability. Please remember that all of our campers are outstanding musicians and are often the top players from their schools. As a result, camp is often a "little fish-big pond" experience. Audition results are carefully tabulated and checked by humans *and* computers. Band assignments will not be altered. Results will be announced at the conclusion of the 6:00 p.m. camp meeting and parents will be notified via e-mail soon thereafter. Campers are encouraged to contact their parents with their band placement.

Audition music has been selected to make a critical judgment of the camper's current ability. The camper should be adequately prepared to play his/her best. It is not necessary to memorize any of the audition music. Audition music will be available for download at www.LonghornMusicCamp.org in April.

Honors Wind Ensemble

Students will audition for chair and part placement on the repertoire to be performed. Audition music will be mailed to participants approximately two weeks prior to camp. Participants are responsible for preparing all selections included in their packet (memorization is not necessary). The Honors Wind Ensemble audition process will begin at 2:00 p.m. on Sunday, June 26.

WHAT TO DO THE FIRST DAY OF CAMP

The camper's individual audition time will be emailed to your 2-3 days prior to the respective camp. The dorm will open for check-in at 1:00 p.m. on Sunday. If your child has an early audition time, please report to the School of Music first to audition; then proceed to the dorm. If your child has a late audition time, you may check-in at the dorm (starting at 1:00 p.m.) prior to coming to the School of Music. The Dobie Center Dormitory is located at 2021 Guadalupe. You may park at any unrestricted space or in the Dobie Parking Garage (a fee applies). The School of Music is located at the corner of Robert Dedman and Dean Keeton. You may park in any unrestricted space along Trinity Street, Robert Dedman Drive, or 23rd Street or in the San Jacinto Parking Garage (a fee applies). To see a map, visit www.utexas.edu/maps/main/parking/law.html. **Please follow all posted parking regulations.**

While students audition, parents should wait in the hospitality room MBE 2.114 (Longhorn Band Hall), where you may visit with camp staff, pick up camper information (locker combination, maps, lesson status, etc.), purchase additional BBQ lunches, and enjoy refreshments. After auditioning, campers should put their instruments in their lockers.

If you have checked in at the dorm prior to auditioning, please take your child back to his/her room at the dorm to meet up with counselor. Once camper is settled in his/her room, you may depart from campus.

Day-campers will report to the Recital Studio (MRH 2.608) to watch movies and meet with their counselor immediately following their audition (or by 4:20 p.m. at the latest).

DAY-CAMPER SCHEDULE

High School Band

On Sunday, day-campers will report to the School of Music at their individual audition time. Following auditions on Sunday, day-campers will gather in the Music Building, where they will watch videos until the 4:30 p.m. meeting with their counselor. Sunday evening pickup time is 8:45 p.m. at the Music Building. Day-campers must attend the rehearsal on Sunday night.

Monday–Friday, day-campers should arrive at the School of Music (drop-off point is along Trinity Street at the sculpture outside the Music Building, across the street from the Texas Memorial Museum) at 8:15 a.m. In case of rain, enter and remain near the west doors of the

MBE building. Campers must check in with their counselor upon arrival and departure. Parents will be called if camper is absent at drop-off or pick-up time. Parents are asked to remain with camper until counselor is present at 8:15 a.m. Monday through Thursday, day-campers will depart campus from Dobie Center Dormitory at 5:30 p.m. The Friday evening pickup time is 10:15 P.M. at Dobie Center Dormitory. Day-campers electing not to attend the Friday banquet may be picked up at the Dobie Center Dormitory at 5:30 p.m.

Luggage must be removed from the storage area within 30 minutes of the conclusion of the final concert of the day.

BUS OR PLANE ARRIVALS/DEPARTURES

Download the Camper Traveler Information Form at www.longhornmuisccamp.org to submit bus or plane travel information by May 26. If the form is received by May 26 in the camp office, arrangements will be made to meet the camper at the airport/bus station. Campers are to meet the LMC driver at the luggage pick up area. The driver will carry a cell phone.

If possible, plan the camper's bus or plane arrival time between 10:00 a.m. and 12:00 p.m. on the first day of camp. On Saturday, the last day of camp, please schedule departure time between 4:00 p.m. and 6:00 p.m. Campers may wish to pack a lunch or snack on Sunday.

LOCKERS

Lockers will be pre-assigned with notice of assignment provided on the first day of camp. Due to limited locker space, some students will share lockers. Combination locks will be provided. Any problem with lockers should be reported to LMC staff immediately on the first day of camp. Day-Campers do receive lockers.

SUPERVISION, HOUSING, AND MEALS

Our experienced counselors are UT undergraduate and graduate students. We maintain approximately a 1:15 counselor-to-camper ratio (or smaller) and endeavor to match instrumentation areas between counselors and campers. Campers are supervised at all times by counselors, coordinators, or faculty. Campers check in with counselors every time they move from point A to point B, at breakfast, before dinner, and evening meetings with counselors. During the day, attendance is taken at the beginning of each class.

Residential campers are housed in Dobie Center Halls located adjacent to the UT campus. They live with a roommate and share bathrooms. Counselors stay on the same floor with their assigned campers. Other dorm facilities may be used in the event of high registration numbers.

Although requests cannot be guaranteed, residential campers may indicate a preferred roommate on the registration form. Roommate election or changes will not be permitted after May 26, 2010. If no roommate preference is indicated, an effort will be made to match students of the same age and instrument. **Campers may not switch roommates upon arrival at or during camp**. Visitation between campers of the same gender housed on different floors is allowed at the discretion of the campers' assigned counselors.

Three meals are served daily in the Dobie Dining Center. All day-campers eat lunch in the dining room Monday–Friday. The dining room offers a main entrée line and other choices. Service is cafeteria style, and food must be eaten in the dining room. Campers and counselors eat together and are asked to properly bus tables and trays and exit the dining room once everyone in their group has eaten.

It is common for residential campers to pool their resources and order pizza following evening activities (**as long as it does not interfere with their nightly head-check and floor meeting/lights out**). Vending machines for soft drinks, candy and other snacks are available in the dorm. As it is impossible to meet everyone's food tastes, dorm rooms are equipped with a mini-fridge and campers may bring snacks with them to camp. Please note that campers may not access their rooms during the lunch break except for an emergency, and then only with a counselor.

Campers are advised to keep their rooms locked and never leave items of value unattended. LMC cannot be responsible for campers' personal money or other assets. Items left behind at the end of camp will be held for two weeks.

Campers should contact the Dobie Desk with Dobie Center maintenance problems.

At the dorm check-in each camper will be given a room key, floor code (if applicable) and meal wrist-band. It is important that campers keep track of these items. Key and meal wrist-band replacement is at the expense of the camper. At the time of loss, replacement fees will be collected from the camper or the camper's parent by a camp coordinator and processed through camp accounting.

It is suggested that luggage remain in the car until after the completion of dorm registration. The parent or guardian is asked to walk through dorm registration with the camper, retrieve luggage, and then see his/her room. Expect to carry luggage some distance. Once camper is settled in his/her room, parents are encouraged to depart campus (no later than 4:30 p.m.). Residential campers have a meeting with their counselors at 4:30 p.m.

Camp administrative staff and/or counselors will be on hand at Dobie to answer any questions and provide directions.

CONDUCT POLICY

Campers are expected to acquaint themselves with the rules and standards of conduct established by LMC. A camper who does not fulfill the responsibilities set out by such rules and standards of conduct may be subject to disciplinary action, including dismissal from LMC.

- All campers must be in attendance for all instructional times and are required to participate in their final concert. If the dates of LMC conflict with another activity or event, the camper and parent must choose between the two events prior to registering for camp. LMC will not make scheduling exceptions. Doctor/dentist/orthodontist/etc. appointments should be not be scheduled for the week of camp.
- Campers should immediately report any accident or illness to their counselor.
- Medical or family emergencies are the only acceptable reasons a camper may depart early from camp. If a camper must leave camp early due to an emergency, the parent or legal guardian must contact the camp administrator or coordinator to sign the camper out. Residential campers should turn in their room key upon departure.
- Campers are required to wear their nametag and a wristband in a clearly visible place at all times.
- Campers must eat all contracted meals at the dorm and be escorted by a counselor at all times when walking between the dorm and School of Music.

- Locked doors should never be propped open or held open for an unknown person.
- Keep all dorm areas neat and clean. Do not move furniture or equipment. Prior to check out, camper rooms should be cleared of trash and debris, and the MicroFridge should be empty. Avoid excessive noise in and around the residence

Any camper dismissed under these conditions will not be allowed to return to camp in subsequent summers. It is the responsibility of the Administrative Staff to make decisions in this area. Campers will be sent home at the expense of the parent or legal guardian. Parents are financially responsible for any and all damages caused by the camper to University of Texas property, including, but not limited to School of Music facilities and dormitory rooms.

CONTACTING YOUR CHILD DURING CAMP

For the safety of all of our campers, parents are not allowed on the dorm floors during camp (apart from check-in, -out). If parents need to visit with their child in person, they need to make written arrangements with the Camp Office (*permission to leave campus form*) in advance.

There are no telephones in the dorm rooms, but campers are encouraged to bring a cell phone with them. Long distance calls may be made collect or billed to a long distance calling card or credit card. The suggested time to call campers is between 9:30 p.m. and 10:00 p.m. Parents should set up a time/date for their camper to call home. Campers should not be on the telephone after lights-out. Cell phones may be used only during free time (not while in any instructional periods or while walking with the camp). Parents may contact the Camp Office during business hours at 512-232-2080 to speak with a member of the camp staff who can relay a message to the camper. After 5:00 p.m., parents should contact the Dobie Desk in the event of an emergency.

The Dobie Desk is staffed 24 hours a day and serves as headquarters for housing and meal information. The Dobie Desk should be contacted for any room maintenance issues. If a parent needs to drop off an essential item to the camper, items may be brought to the camp office (MBE 2.112) during business hours, or to the Dobie Desk after hours. **The phone number for the Dobie Desk is (512) 505-1000.**

PARKING AND TRAFFIC

All visitors to The University of Texas campus must observe parking and traffic regulations. The posted speed limit is 15 MPH. Parking is restricted by permit Monday-Friday from 7:30 a.m. to 5:45 p.m. Posted signs, whether permanent or temporary, must be obeyed at all times. Posted signs take precedence over painted curbs, pavement markings, and designations shown on any University map. Never park in a space denoted as reserved "At all times". **Any parking fees or citations will be the responsibility of the visitor.** For more information, visit www.utexas.edu/parking.

Campers may not drive or have cars on campus during camp. Exceptions are made for campers with special circumstances and parental permission. A downloadable form is available at www.longhornmusiccamp.org. Due to University parking restrictions, LMC does not offer parking permits. Day-campers will have to pay daily to park in the San Jacinto parking garage. Any residential camper who must drive him- or herself to camp must notify the camp office at least one week prior to camp. Upon arrival, residential campers' car keys must be turned in to camp office. They will be returned following the final concert.

PERMISSION TO LEAVE CAMPUS AND EMERGENCY DEPARTURES

Campers will not be permitted to leave camp for any reason (including visiting the home of an Austin relative or friend), unless we receive detailed written notification one week prior to the first day of camp. Campers may not leave camp with anyone under the age of 21. Only requests that do not interfere with sectionals or ensemble rehearsals will be considered. Requests are submitted through a downloadable form available at www.LonghornMusicCamp.org.

If a camper must leave camp early due to medical or family emergency, the parent or legal guardian must contact the camp administrator or coordinator to sign the camper out.

INSURANCE AND HEALTH CARE

Parents should provide health insurance for campers. Campers who require medical attention will be accompanied to the Student Health Center by a camp coordinator or counselor. Medical costs incurred for treatment at the Student Health Center will be the responsibility of the parents or guardian of the individual treated. The initial charge for a Health Center visit is \$60.00. There are additional charges for many of the procedures clinicians may need to perform in order to diagnose and treat illnesses or injuries. Billing is through the Student Health Center.

If any camper is seriously ill or injured, it is the policy of the Health Center that the doctor on the case will contact the parents. Individuals with potentially serious or life-threatening conditions will be taken directly to a hospital emergency room. Parental notification of minor injuries and illnesses is left to the discretion of the camper. Please discuss with your child your expectations regarding communication of such information.

LMC cannot be responsible for or held liable for the administration of medication to campers. **The camper must be able to self-administer his/her own medication.**

Required submission of health status and medical release forms are addressed in the enrollment process. *Consent for Treatment of a Minor* is required by Student Health Services to render medical treatment except in life-threatening situations.

ACCESSIBILITY

If a camper requires special accommodations, please contact the camp office before registering and we will work to verify that we will be able to adequately meet your expectations. Note that housing arrangements are assigned to LMC by Dobie Center Dormitory.

DIRECTORY

The directory will include names and physical and e-mail addresses of campers who elected to be listed. No telephone numbers will be listed. If you do not wish to disclose one or more of these components, please decline inclusion in the directory. Directories will be e-mailed to those campers who have elected inclusion. If a camper has not elected to include their information in the directory, the Camp staff cannot release this information to any other campers.

RECORDING

Due to the high costs required in complying with copyright laws we cannot provide recordings of final performances.

FINANCIAL AID/SPONSORSHIP

Unfortunately, Longhorn Music Camp is unable to provide financial aid for camp. Students often receive scholarships from local music or civic organizations, such as band booster organizations, youth symphonies, etc. Ask your director/teacher about scholarship opportunities in your area. Longhorn Music Camp needs the support of both businesses and individuals who desire to enrich the lives of deserving young musicians who might not otherwise be able to attend our program. Every year we hear from potential campers who would love to attend and would benefit immensely from our program, but do not have the financial means to do so. Become an individual or corporate sponsor of Longhorn Music Camp and help us further our mission to nurture musicianship and spur artistic growth, increase the love of the musical arts, and encourage continuing education by providing an exciting and rewarding camp

experience. For a gift of as little as \$350, you can sponsor a student in need. Contact the camp office at 512-232-2080 for additional information. In recognition of your generosity, Longhorn Music Camp will include you in our web site listing of individual and corporate sponsors.
