

The University of Texas at Austin, College of Fine Arts

**Bachelor of Music
Recording Technology Major**

Sample 4 year Degree Plan • The Undergraduate Catalog, 2008-2010

Below is a sample plan for students who want to complete this program in four years. The sequence assumes that you were admitted to the university with no foreign language (or other) deficiencies. Some basic education courses can be taken in a different order and some coursework can be completed in summer. But pay particular attention to the sequence of courses in your major and to any courses offered solely in fall or spring. Because this plan is merely a sample, you should consult your departmental advisor or the Office of the Dean (Student Affairs) for help in planning your individual schedule. For complete information about degree requirements, you must consult *The Undergraduate Catalog, 2008-2010*.

General Requirements

Grade point average (GPA) requirements

To graduate you must have a GPA of at least 2.00 based on all courses undertaken at the university and a GPA of at least 3.000 for all upper-division courses in the School of Music (excluding ensemble) taken in residence at the University.

Residency requirements and graduation procedures

See *The Undergraduate Catalog, 2008-2010* for information about the residency requirements and graduation procedures.

Degree audit required when you reach 75 hours

See *The Undergraduate Catalog, 2008-2010*.

Admission deficiency

If you were admitted to the university with a high school unit deficiency, you must remove that deficiency prior to graduation. Courses taken to remove admission deficiencies will not count toward your degree.

Writing component

To graduate you must have two courses, one upper-division, that are certified by UT Austin as meeting the substantial writing requirement. (See the list in the *Course Schedule* at the time you take the course.) A course used for this writing requirement may also count **either** toward an appropriate requirement in another area **or** toward electives. (The exception is that courses used to fulfill the requirements for Rhetoric and Writing 306 or English 316K will **not** also count toward this certified writing requirement.)
